Plan Review Required

2 sets of construction documents are required with each application for a permit. Construction documents must be sealed and signed by an architect or professional engineer in accordance with 1980, PA 299 as amended. The seal and signature is not required for one- and two-family dwellings less than 3,500 square feet of calculated floor area and public works less than \$15,000 in total construction cost. Applicant must submit a detailed statement in writing, verified by affidavit of the individual making it, of the specifications for the building or structure, and full and complete copies of the plans drawn to scale of the proposed work. Applicant must also submit a site plan showing the dimensions, and the location of the proposed building or structure and the other buildings or structures on the same premises.

For buildings regulated by the Michigan Building Code, 2 sets of construction documents must be submitted with a separate Application for Plan Examination, the appropriate fee, and approved before a building permit can be issued.
