FROM THE TREASURER:

DID YOU KNOW that you can pay your taxes via credit card on our township website, Lagrangetownshipmi.com? There is a link on the website which takes you directly to Allpaid. When paying via credit card, a service fee is charged which is a small percentage of your total tax bill; however, if you pay via e-check, you will only be charged the flat fee of \$2.95. The credit card app will ask for your Tax ID number. DO NOT PUT YOUR SS# here. This is for your parcel identification number which is located on the top right of your bill, and also just above the taxpayer's name and address. Additionally, if you are unable to pay your entire tax bill at once, partial payments are accepted throughout the dates listed on the bill. If you have any questions on either of these items, please call the Treasurer at the number provided on your tax bill.
